EXAMINER'S AMENDMENT

Drawings

1. The following changes to the drawings have been approved by the examiner and agreed upon by applicant: Figure 11 requires a prior art label.

Figure 11 should be designated by a legend such as --Prior Art-- because only that which is old is illustrated. See MPEP § 608.02(g). Corrected drawings in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. The replacement sheet(s) should be labeled "Replacement Sheet" in the page header (as per 37 CFR 1.84(c)) so as not to obstruct any portion of the drawing figures. If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

Prior Art

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Iijima teaches pertinent prior art.
